<https://my.ilabsolutions.com/account/login>

Set up an account prior to your experiment to assure availability of the equipment.

Section 3: Potential Hazards

PortionPac Germicidal is used to clean this core after each use. Please wear gloves when spraying surfaces you have used to avoid potential irritation to the skin.

Section 4: Personal Protective Equipment

- Chemical resistant gloves for cleaning surfaces
- Masks should be worn to prevent potential contamination to equipment and exposure to others you are around.

Gloves are located on bench next to sink.

If you do not have a mask, please request one prior to using the core.

Section 5: Engineering Controls

- Only 1 person in this core at a time.

Section 6: Exposure Procedures

Skin exposure: For small, uncomplicated skin exposures of low toxicity chemicals, rinse affected skin with plenty of water. If allergic reaction occurs seek medical attention and/or proceed as directed by your PI or lab manager.

Section 7: Material Safety Data Sheet / Safety Data Sheet **PortionPac**
