Fill out form to dotted line and turn in to Graduate Office for approval of plans.

Student Teaching

Required for all Post-Comp Pharm Tox Students

Student Name:

PhD Mentor Name:

Proposed Teaching: Semester Course

Instructor of Course:

Proposed teaching assignment*: Explain exactly what you will do for this teaching assignment – will you prepare your own slides / material, will you be involved in preparing and grading assignments, how many students will be in the class, etc. Please answer whether you'll be involved in writing and grading exam questions.*

Estimated time: *For face-to-face classes please include direct contact hours and prep time*

Teaching assignment approved by the Grad Program Committee: ☐

Post-assignment Evaluation:

Student – What do you think went well? What would you do differently next time?

Instructor – How did the student do? Was their material accurate? Did they complete assignments in a timely manner? If they interacted with the students, how did that interaction go? -- etc.
